Ministry for Primary Industries
Manatū Ahu Matua

Maintenance Compound: Hygiene Technologies Limited, MC0005147

I refer to your renewal application dated 07 July 2026.

Your application has been approved under Regulation 247 of the Animal Products Regulations 2021 and Regulation 18 of the Animal Products (Regulated Control Scheme – Limited Processing Fishing Vessels) Regulations 2001, and satisfies the requirements of Regulations 12, 13, 14, 53 of the Animal Products Regulations 2021, when used in accordance with the label.

This approval expires on 28 July 2031. Renewal before the end of this period is your responsibility. MPI will aim to send you a reminder email to renew your registration. Please ensure you notify MPI if your email and/or postal address changes. If you do not renew your approval, continued operation may be in breach of the Animal Products Act 1999.

Approval MPI ID number
Your unique approval MPI ID number is **MC0005147**.

Please always use the MPI ID number above in all your communications with MPI about this approval.

Scope and Condition(s)

Scope	
Product Name	Tenax Alkaguard
Product Material	Non-dairy maintenance compound
Intended Use	Non-dairy processing

Approval is subject to the following conditions.

Conditions	
C 31 Cleaner (including cleaner sanitisers)	1. This can be used in all areas. 2. Before use, all food or edible product and food contact packaging material must be removed from the room, unless the room can be divided into distinct areas. No food or edible product or food contact packaging material can be present in the distinct area being cleaned. There must be no possibility of contamination of product or packaging material as a result of cleaning. 3. After use, food contact surfaces must be thoroughly rinsed with suitable water before production starts. This is also approved for C 32 and C 34 applications.

Public Register
The approval can be viewed on the MPI public register: https://www.mpi.govt.nz/food-business/food-safety-registers-lists/register-of-approved-maintenance-compounds.

The register is also open for public inspection at the Ministry for Primary Industries head office, or you can write to MPI Approvals to request a copy.

You must notify MPI in writing of any change to your approval.
Sign up for MPI updates: MPI provides an e-mail notification service for any website updates to standards, legislation, and export requirements. MPI recommends you and your relevant staff subscribe to receive these notifications. To sign up to receive notifications go to https://www.mpi.govt.nz/news-and-resources/subscribe-to-mpi/ and select topics of interest.
